Legal Services

With their wide range of expertise, the legal experts of Mazars provide continuous and general legal support for their clients and also available to provide legal support in unique projects.

Corporate Legal Services

Mazars' legal advisors support companies through their entire lifecycle. Our services particularly cover the following:

- Setting up a company
- Promotion and/or management of different company procedures
- Legal support in winding-up proceedings and liquidation
- Contract preparation
- Ad hoc corporate legal assistance

Registered address and other administrative services

Mazars is capable of managing a company's entire legal administration related to corporate legal and M&A services:

- Registered address services
- Setting up and operating a Company Gateway
- Opening a bank account
- Tax registration administration
- Submission of mandatory returns and statements
- Preparation of corporate legal decisions

M&A Legal Services

Mazars' legal experts have vast experience in the legal support of domestic and international company acquisitions and related or unrelated transformations, fusions and mergers. Our services mainly focus on the following:

- Legal due diligences
- Complete corporate legal procedures concerning acquisitions transformations and mergers
- Contract preparation

Labor Law Services

Mazars' legal experts provide a wide range of services in Labor Law issues:

- Preparation of executive and common labor contracts
- Preparation of terminations and representation in labor and employment litigation proceedings
- Consultancy services related to employer succession
- Employment related data privacy consultancy services (e.g. GDPR)

Contentious and Non-Contentious Procedures

Mazars' legal experts represent their clients through the entire process of contentious and non-contentious procedures in relation to any of our legal services.
We also provide effective support to our clients in tax litigation proceedings resulting from the tax authority's procedures.

Other Legal Services

Mazars' experts can also provide complete services meeting our clients' needs in other areas of legal consultancy:

- Real estate consultancy
- Contract preparation
- Land Registry procedures
- Ad hoc advisory and consultation

Mazars is an internationally integrated partnership, specialising in audit, accountancy, advisory, tax and legal services*. Operating in over 90 countries and territories around the world, we draw on the expertise of more than 42,000 professionals – 26,000+ in Mazars' integrated partnership and 16,000+ via the Mazars North America Alliance – to assist clients of all sizes at every stage in their development.

Mazars started operations in Hungary in 1991; now we are one of the country's leading audit and advisory companies. With 150 highly trained and dedicated professionals, we provide a full spectrum of services to our clients across all sectors, from banking and finance to industry and services. In addition to the local subsidiaries of major international listed companies, we also serve many Hungarian small and medium-sized companies.
